

Increase your

RO(A)I

In a recent trial, **Enterprise Health's Ozwell AI** delivered a 1731% ROI.

In occupational health, time is money. See how the savings add up with Ozwell AI.

About the trial

A leading university-based healthcare system documented the time saved on occupational health encounters using Ozwell AI. Here's what they found:

Time saved per encounter:	7 minutes saved
Time saved daily per nurse, per encounter (8 encounters daily):	56 minutes saved
Time saved weekly (32 encounters per week):	224 minutes saved
Time saved annually (48 weeks per year):	10,752 minutes saved
Now translate that to hours...	179 hours saved each year

The bottom line

\$8055
saved per nurse

1731%
ROI

\$17.31
gained/dollar invested*

Request an Ozwell AI demo where we'll show you how to seamlessly automate essential documentation to increase your RO-AI.

The Enterprise Health solution — including Ozwell AI — is the only technology that combines occ health and compliance, employee engagement and a certified EHR on a single, interoperable system. We check 10 out of 10 boxes on the ACOEM recommendations for selecting an OEHR, and Ozwell AI is the first pDSI-certified AI technology for occupational health.
