

# Workforce health and readiness starts with Enterprise Health

As the most comprehensive employee/occ health platform available today, Enterprise Health protects and supports your most valuable asset: **your employees.**

And it does the same for the **clinical staff** who care for them.

# Laser focused on health: **occupational, employee and enterprise**

Enterprise Health is the only solution that combines **occ health** and **compliance, employee engagement** and a **certified EHR** on a single, interoperable and AI-certified system. And, it's the only system that checks 10/10 boxes on the ACOEM recommendations for selecting an OEHR.

## Trusted by the nation's largest health systems, corporations and institutions

### Industry-leading functionality includes:

- Productivity-enhancing and HIPAA-compliant Ozwell AI
- Certified occupational EHR
- Real-time collaboration — employee to clinician, clinician to supervisor, supervisor to leadership
- Immunization management
- Medical surveillance
- Workplace injury
- OSHA compliance
- Reporting
- Employee engagement
- 24/7/365 US-based support experts

The results speak for themselves: hundreds of thousands of employees served, through hundreds of clients who not only come to Enterprise Health; **they stay here.**

**Empower clinicians. Protect employees. Strengthen the enterprise.**
